

Family Movie Night

One of the kids' most favorite things to do on a Friday night is to have Family Movie Night! We only have a movie night every few months, so the kids look forward to it. We order a movie that the kids have never seen. I never tell the kids ahead of time, so it is always a surprise. I work all afternoon to get the family room ready and prepare a special dinner that we can eat in front of the TV. We lay out blankets for the kids to sit on while they eat. Then we set out popcorn and candy to have after we finish our dinner. I think the candy might be their most favorite part of the whole night! ☐ Everything is set up and ready to start the movie when Daddy gets home. The kids wait excitedly by the door for Brian to get home, and squeal when he opens the front door!

Anyway, it is so much fun watching the kids go so excited over a movie and spending time together as a family!
